CHURCH SIDEWALK REPAIR: taking into account matters of safety and substantial improvement, the Parish Finance Council took the initiative in seeking bids for this project. Following due process, contact with the diocese, and making arrangements to withdraw money from our own diocesan savings account, this project began this week [or will begin shortly; delays caused by weather]. **PLEASE NOTE** that with an ever decreasing regular weekend offertory income and other fund raising endeavors, we are constantly challenged to pay all our bills. Obviously we are also unable to finance this project because of any surplus. Yet because of safety and potential hazard concerns, it was felt we needed to move ahead with accomplishing this project.
