WORDS TO LIVE BY

Someone has written these beautiful words. You must read and try to understand the deep meaning of it. They are like the ten commandments to follow in life all the time.

1. Prayer is not a "spare wheel" that you pull out when in trouble, But it is a "steering wheel" that directs the right path throughout.
2. So why is a car's windshield so large and the rear view mirror so small? Because our past is not as important as our future. So, look ahead and move on.
3. Friendship is like a book. It takes few seconds to burn, but it takes years to write.
4. All things in life are temporary. If it's going well, enjoy it, that won't last long. If it's going badly, don't worry, that won't last long either.
5. Old friends are gold! New friends are diamond! If you get a diamond, don't forget the gold! Because to hold a diamond, you always need a base of gold!
6. Often when we lose hope and think this is the end, God smiles from above and says, "Relax, sweetheart, it's just a bend, not the end!"
7. When God solves your problems, you have faith in His abilities; When God doesn't solve your problems, He has faith in your abilities.
8. A blind person once asked, "Can there be anything worse than losing eye sight?" The reply, "Yes, losing your vision!"
9. When you pray for others, God listens to you and blesses them; Sometimes, when you are safe and happy, remember that someone has prayed for you.
10. Worrying does not take away tomorrow's troubles, it takes away today's peace .

CLOTHING BINS

September is one of the busiest months of the year as students return to school and most adults resume a normal working schedule after summer vacation. Through the turbulence of your many demands, would you be willing to take a few minutes to gather your unwanted clothing and shoes to help Catholic Charities? Please drop them in the Catholic Charities donation bin located on the Church grounds. Your donations help Catholic Charities and Mt. Carmel Guild. Thank you.

Catholic Daughters Brunch

On October 18, 2015 please join us for the 2015 CDA brunch at Madeline's Petit Paris restaurant in Northvale at 11:00AM. Tickets are \$30 and may be purchased from Renee Tringali 201-768-0648 or 201-913-2580. Our guest speaker is Fr. Chris Ciccarino.

PLEASE BE CAREFUL

With such a large number of people attending our parish church we need to be careful in the parking lots. On Sunday mornings we have children run to and from CCD, elderly people walking to and from the church and some individuals who unnecessarily speed in the parking lot. We have had a number of fender benders, and last Sunday we did have a hit and run. Yes someone smashed into a parked car and fled the scene. So *whoever smashed into a blue Hyundai with their white vehicle, please do the right thing and come forward.*

SIX STORIES

- 1} Once all villagers decided to pray for rain, on the day of prayer all the people gathered, but only one boy came with an umbrella. That's **FAITH**.
- 2} When you throw a baby in the air, she laughs because she knows you will catch her. That's **TRUST**.
- 3} Every night we go to bed, without any assurance of being alive the next morning, but still we set the alarms to wake up. That's **HOPE**.
- 4} We plan big things for tomorrow in spite of zero knowledge of the future. That's **CONFIDENCE**.
- 5} We see the world suffering, but still we get married and have children. That's **LOVE**.
- 6} On an old man's shirt was written a sentence "I am not 80 years old.... I am sweet 16 with 64 years experience". That's **ATTITUDE**.

Have a happy day and live your life like these six stories.

Splitting The Atom And The Family

"Satan, his demons and their human henchmen know that the fate of mankind depends on the spiritual durability of family relationships. If one splits the atom, the smallest unit of matter, tremendous physical disaster results from the explosive forces released. And if one splits the family, the smallest unit of society, tremendous social disaster results from the explosive passions released." **Fr. Vincent Macelli**

THE ANGELUS

This takes but a few moments. Each day in the morning, at noon and in the evening, just stop what you are doing to pray the Angelus or Regina Coeli (Easter season) to Mary. This custom, which goes back centuries, is a wonderful way to greet Our Lady. We meditate on the universal greatest act of humility, the Incarnation; the universal greatest act of sacrifice, His Passion and Death; and the universal greatest act of victory, the Resurrection of Our Lord, which gives meaning to our entire existence.

CCD CORNER

Last week before the classes began, we opened the CCD year with a brief prayer service. Our teachers prayed for our students and students prayed for their teachers. As you know, our class time is broken into 4 corners of learning; scripture understanding, monthly theme, instruction and prayer. It is so important that our children are comfortable with praying, especially within the family setting. We encourage them to pray daily. This past week Pope Francis has made the "life of the family" as the corner stone for his Papal visit. There is an old but very valuable adage that says; *a family who prays together, stays together*. May the example of the Holy Family, with the aid of the Holy Spirit, guide all families to be homes of peace and prayer and to always seek God's truth and live in love. Amen.

HOMOGRAPHS/HETERONYM

Homographs are words of like spelling but with more than one meaning. A homograph that is also pronounced differently is a heteronym. You think English is easy?

- 1) The bandage was wound around the wound.
2) The farm was used to produce produce.
3) The dump was so full that it had to refuse more refuse.
4) We must polish the Polish furniture.
5) He could lead if he would get the lead out.
6) The soldier decided to desert his dessert in the desert..
7) Since there is no time like the present, he thought it was time to present the present.
8) A bass was painted on the head of the bass drum.
9) When shot at, the dove dove into the bushes.
10) I did not object to the object.
11) The insurance was invalid for the invalid.
12) There was a row among the oarsmen about how to row.
13) They were too close to the door to close it.
14) The buck does funny things when the does are present.
15) A seamstress and a sewer fell down into a sewer line.
16) To help with planting, the farmer taught his sow to sow.
17) The wind was too strong for me to wind the sail.
18) Upon seeing the tear in the painting I shed a tear..
19) I had to subject the subject to a series of tests.
20) How can I intimate this to my most intimate friend?

Let's face it - English is a crazy language. There is no egg in egg-plant, nor ham in hamburger; neither apple nor pine in pineapple. English muffins weren't invented in England or French fries in France. Sweetmeats are candies while sweetbreads, which aren't sweet, are meat. We take English for granted. But if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square and a guinea pig is neither from Guinea nor is it a pig.

And why is it that writers write but fingers don't fing, grocers don't groce and hammers don't ham? If the plural of tooth is teeth, why isn't the plural of booth, beeth? One goose, 2 geese. So one moose, 2 meese? One index, 2 indices? Doesn't it seem crazy that you can make amends but not one amend? If you have a bunch of odds and ends and get rid of all but one of them, what do you call it?

If teachers taught, why didn't preachers praught? If a vegetarian eats vegetables, what does a humanitarian eat? Sometimes I think all the English speakers should be committed to an asylum for the verbally insane. In what language do people recite at a play and play at are recital? Ship by truck and send cargo by ship? Have noses that run and feet that smell?

How can a slim chance and a fat chance be the same, while a wise man and a wise guy are opposites? You have to marvel at the unique lunacy of a language in which your house can burn up as it burns down, in which you fill in a form by filling it out and in which, an alarm goes off by going on.

English was invented by people, not computers, and it reflects the creativity of the human race, which, of course, is not a race at all. That is why, when the stars are out, they are visible, but when the lights are out, they are invisible. PS. - Why doesn't 'Buick' rhyme with 'quick'?

OLDEST LIVING CATHOLIC BISHOP

Archbishop Emeritus Peter Leo Gerety is now the oldest living Catholic Bishop in the world. He gained that status on New Year's Day when Bishop Gery Leuliet of France died at age 104. He was a priest for almost 81 years. Archbishop Gerety, 103, shepherded the archdiocese from 1974 to 1986 after serving as Bishop of Portland from 1969 to 1974. Ordained a priest for the Archdiocese of Hartford in 1939, he lives at the Little Sisters of the Poor Residence in Little Falls.

ABC's New Adaptation of "The Muppets" is for Adults Only!

1 Million Moms (1MM) suspects there are going to be a lot of shocked moms and dads when they discover that the family-friendly Muppets of the 1970s are no more. It appears that no subject is off limits. ABC's new Muppet Show, airing on Tuesday evenings at 8:00 pm ET/7:00 pm CT, is not what Jim Henson imagined and created. The new show is aimed at a mature, modern audience and addresses subjects not suitable for family viewing.

"It's sort of an adult Muppet show," Kermit the Frog said during a promotional video for the show. One ad read, "Finally, a network TV show with full frontal nudity." Technically, the advertisement is correct – seeing how Kermit doesn't wear pants. The mature version of "The Muppets" will cover a range of topics from sex to drugs. Miss Piggy came out as a pro-choice feminist during an MSNBC interview. The puppet characters loved by kids in the 1970s and 1980s and beyond are now weighing in on abortion and promiscuity.

ABC hopes children watch the show and predict they would enjoy some of the humor, but 1MM would disagree. It is not the show it once was. ABC has ruined "The Muppets." How many parents want to explain the punchline of sexually charged jokes to young children? Many parents unknowingly will let their children watch an episode only to find out its perverted nature too late, unless they are alerted ahead of time. 1MM and others need to get the word out to families to avoid this program at all costs. Please forward this to everyone you know!

Meanwhile, parents will have to explain to confused children that the program they once were allowed to watch is no longer a nice show. This would have been completely unnecessary if ABC had made the program follow its original family-friendly design.

Take Action Please use the information we have provided to contact ABC (owned by Disney) and strongly encourage the network to drop all plans to air the program. TAKE ACTION NOW!

Blessings, Monica Cole, Director OneMillionMoms.com

Obama Welcomes Religious Rebels

September 16, 2015

Bill Donohue comments on some appalling invitations to the Pope's White House visit:

It is so fitting that the least friendly administration to religion in history would invite a collection of pro-abortion nuns, Catholic gay activists, assorted dissidents and religious rebels to attend Pope Francis' visit to the White House September 23.

These include gay Catholic blogger Aaron Ledesma; Catholic gay activist and Church critic Nicholas Coppola; and Sister Jeannine Gramick, co-founder of the Catholic dissident group New Ways Ministry, who in 1999 was barred by the Vatican from working in ministry to homosexuals. Coppola and Gramick were both invited by GLAAD, which says the White House invited it and LGBT leaders to attend.

Vi vien Taylor, who identifies as transgender, not only scored an invite, but was told to bring some friends. He is—including members of Dignity, a Catholic dissident group, and other "transgender and intersex people." Also attending is Gene Robinson, the first openly gay Episcopal bishop, who left his wife of 14 years for his male partner, then last year "divorced" that partner.

Also on hand will be Sister Simone Campbell. She is the leader of the "Nuns on the Bus" who actively campaigned for Obamacare with its blatant pro-abortion provisions. We doubt an invitation is on the way to the Little Sisters of the Poor, the nuns being targeted by the administration for remaining true to their Catholic faith and refusing to comply with the pro-abortion mandate. We don't expect to see them there.

Catholic-baiting is nothing new in Washington. Back in 1994, the Clinton administration's own Ambassador to the Vatican, Ray Flynn, wrote that he was "embarrassed" by the "ugly anti-Catholic bias that is shown by prominent members of Congress and the administration." President Obama, however, has taken it to a new level. From inviting an aggressively anti-religious atheist organization to the White House; to trying to force Catholics, like the Little Sisters, to violate Catholic moral teaching; and now, to this attempt to exploit a papal visit to promote an agenda that is offensive to faithful Catholics, he has shown a religious intolerance that is mind-boggling.

40 Days for Life

September 23—November 1, 2015—Please consider giving one hour a week this Fall to stand in a peaceful vigil across from Women's Choice Abortion Clinic, 10 Zabriskie St., Hackensack between the hours of 7AM and 7PM. For more info contact Linda Maliani 551-265-8121 or lindamaliani@yahoo.com. Every victory that has been achieved through 40 Days for Life... from lives saved..to abortion centers shut down... to abortion workers experiencing conversions, all began with ONE PERSON who answered God's call to "speak up for those who cannot speak for themselves."

Jesus asked one thing from us!!!

On His last night of earth (Holy Thursday) Jesus asked His disciples one thing – to stay awake with Him for one hour. Every Thursday evening we at OLV try to fulfill this request by having a Holy Hour from 7-8PM. Join us in carrying out Jesus' request.

KIDZ KORNER
