Our parish goal for the **2015 Annual Catholic Appeal** is \$23,540. This goal is based on the most current financials of our parish that were submitted to the Diocese. Knowing the goodness of our parishioners, when they see the need, they will respond. Again this year, the Bishop has agreed to gift back all monies collected over goal to the parish. So far **63** parishioners have donated **\$13,701**. Please make every effort to help Saint Josaphat's reach our goal again this year.

The **Parish Right to Life Committee** has placed around the Church a very informative booklet **NOW AND AT THE HOUR OF OUR DEATH**.

It's a Catholic guide to End-of-Life Decision-Making, which unfortunately most of us will have to make for either a loved one or for ourselves.

Feel free to take home a copy to read and share with a family member or friend. If none are left, please let us know by dropping a note in the Suggestion Box in the back of the Church.

Baby Bottles Save Babies....Please don't forget to return Baby Bottles filled with your spare change in the sacristy of the church. Thank you for supporting The Bridge to Life.

Reflecting on God's Word
The Most Holy Body and Blood of Christ

Going to movies these days can be an immersion in blood. I go to movies fairly regularly and friends in the parish will ask me my reactions now and again. Often over the years, I have found myself responding, "It's well made, but ... it's pretty bloody." Or I'm not if you want to see all this bloodshed."

It might be surprising to listen to the three readings that all have to do not just with shedding blood, but sprinkling it on people, as Moses did out in the desert, and presenting Jesus as the great high priest who goes into the sanctuary bearing his own blood, which will "cleanse our consciences from dead works" (Hebrews 9:14) so we can worship the living God.

And then there is the more familiar reading of Mark's account of the Last Supper, when Jesus tells his disciples to drink his blood. Perhaps we have gotten used to hearing these words since they are spoken at every Mass. But if you stop and think about it they are rather shocking.

In biblical world blood is sacred, blood is life. From the beginning animals were offered in sacrifice. But with the offering of the body and blood of Christ, a new relationship has been entered into with our God. Through Jesus' gift of his body and blood, salvation was won for us and is present to us when we gather in his name to praise the Father.
