# Stewardship

DISCIPLE  
RESPONDING

## Everyday Stewardship

When I was younger and growing up in Alexandria, VA, I remember one year it actually snowed on Easter. It was crazy to see it that late in the year. We got up and dressed in our best spring clothes so we could venture into the snow on our way to Easter Mass. I remember thinking that the day did not feel much like Easter. It was hard to really get into the mood of God making all things new on a day so cold and full of flurries. If I am honest, I think we rushed home after Mass just so we could get on warm pajamas and just watch TV for the rest of the day, snuggled up on the couch with blankets. It might as well have been a Sunday in January.

This year the odds are against it snowing on Easter where I live here in North Carolina. However, for far too many it might as well snow. To them, Easter has nothing to do with the Resurrection of Jesus Christ, new life, or anything of the sort. It is just another Sunday. Some of them don't care and never think of Jesus or God on any Sunday of the year. But for others, it will not feel like Easter because they have been forgotten. On this day they will sit at home, just like they sit every single day of their lives. They might be poor, elderly, disabled, or simply alone. On this day, there is no resurrection celebration because they have no real experience of the joy of life.

This is where good Everyday Stewards can make a difference. In the midst of buying candy and decorating eggs for baskets and buying new clothes to wear to Easter Mass, find someone who needs to experience the power of Easter. Don't tell them Jesus rose for them, but show them. Instead of the cold of isolation, bring to them the warmth of new life.

## WHY DO WE DO THAT?

**Catholic Traditions Explained**

**Question:** What is the most important holiday on the Catholic calendar?

**Answer:** In our daily life, we often refer to "holidays." The word "holiday" actually comes from the word "holy day." More than a simple celebration or family gathering, these days connect us to God in a unique way. We remember - and share in - the events in God's plan of salvation. Some feasts may be celebrated with more traditions and secular attention, like Christmas, but the most important holy day is Easter.

When Jesus died and rose again, he destroyed the ultimate weapon of sin and made it possible for us to have eternal life with him in Heaven. Without the resurrection, St. Paul tells us, our faith is in vain. This past Holy Week, we walked through the Paschal Mystery, the suffering, death, and resurrection of Christ. Easter is commemorated each time we celebrate the Mass. As St. John Paul II said, "we are an Easter people and alleluia is our song!" Jesus was born for Easter. Our joyful celebration of the resurrection is at the core of what it means to be a Christian!

## INSPIRATION FOR THE WEEK

Christ is risen indeed! We have arrived at the penultimate feast on the Church's calendar, the cause of our joy and our hope. Life has defeated death. Sorrow and suffering do not have the last say. In the resurrection of Jesus we see many reasons to rejoice. Not only has Jesus conquered the specter of visible death, but he restores to us graced life. On Holy Saturday, Jesus descended to the dead and delivered the just souls into heavenly paradise. What are our own Saturday tombs? Jesus has the power to open them all. That is our invitation, this day most of all. May resurrection joy fill your heart, your family, your workplace, and your community. Happy Easter!
