Stewardship

Seventeenth Sunday in Ordinary Time
July 28/29, 2018

The story of the multiplication of the loaves and the fishes is a familiar one, and has many lessons, not least of which is how our willingness to share who we are and what we have - exercising good stewardship - releases God's power and bountifulness on the world and its people.

Do we realize that there is enough for all if we are willing to share? Are we aware that God is at work when we share our time, our money and our other resources in his name?

A LOOK AT... MINISTRY

Children's Liturgy of the Word **FOCUS**

How Do We Welcome the Children

- Mark 9: 36-37
He took a little child whom he placed among them. Taking the child in his arms, he said to them, "Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me."

Children's Liturgy of the Word is a ministry that allows the young children in our parish to truly experience the Word of God at each and every Mass. As you have probably noticed, this ministry is growing! Because our Children's Liturgy of the Word is flourishing, we are looking for additional leaders and helpers during all our Masses. You do not need to have a religious education background or experience to participate in this ministry. All you need is a love for God and his children. The rest comes pretty easy! Training and curriculum are provided and the schedule is flexible.

Please prayerfully consider volunteering about one Sunday per month to share your gifts of time and talent with our little ones!

WHY DO WE DO THAT?**Catholic Traditions Explained**

Question: What is the difference between mortal and venial sin?

Answer: Sin is a deliberate thought, word, action, or omission contrary to God's law. Since the beginnings of the Church, sin has been distinguished by its gravity. "Grave matter" is traditionally defined by the Ten Commandments. If a person commits a grave sin with full knowledge of the action's evil and with the complete consent of their will, this is a mortal sin. The effects of mortal sin are grave -- the loss of sanctifying grace, which can be restored by a fresh outpouring of God's mercy in the sacrament of Reconciliation.

Venial sin does not fit one or more of these conditions (for example, a less serious matter still freely chosen or grave matter committed while under force or ignorance of God's law). The effects of venial sin -- while still damaging to the human heart and human society -- are less severe. Even so, smaller sins build habits, which can obstruct our growth in virtue. When we are serious about following Jesus, we should do our best to avoid all sin, whether large or small!
