Stewardship at
Saint Thomas More

About a year ago a new Stewardship Council was formed under the guidance of Father Brad Whistle and me. This team of hard working and dedicated parishioners has spent several months discerning the role of Stewardship not only in our parish, but also in their own lives. After many discussions, they have recommended that the three pronged stewardship appeal (prayer, ministry and finance) at Saint Thomas More be combined into an annual campaign. In keeping with this, Stewardship Commitment Weekend will be held November 4th and 5th.

Making an annual commitment by all parishioners allows ministries to coordinate and plan activities using a calendar year. It will also simplify bookkeeping for most individuals as their commitment to giving will be on a calendar year as well.

In the coming weeks you will hear from various members of the parish in regard to their own Stewardship experiences. Please take a moment to consider how you can make all aspects of Stewardship a way of life for you and your family.

A special thank you to the following members of the Stewardship Council:

April Baker, Rene Dawson, Joe Hobbs, Bridget Medley, Miranda Richison, Amy Ridley, David Shoulta, Lucy Shoulta and Steve Ybarzabal

OTHER NEWS

Why Do We Do That?

Catholic Traditions Explained

Question:My coworkers and I have been debating the death penalty and whether or not it should be part of our justice system. Why are so many people who claim to be pro-life believers in favor of it?

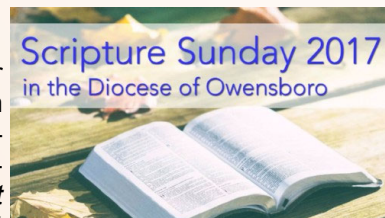

Answer: The issues of crime and punishment are never easy because so many factors influence people and how they view problems and solutions. Increased violence, loss of life, cost to taxpayers and the community at large, and the maneuverings of lawyers and courts only add fuel to the fire. When bad things happen in your neighborhood or to your home or to you, you want relief. Any normal person would feel that way. A pro-life view does not insulate anyone from the bad effects of criminal behavior. Innocent people are hurt every day and it may seem as though those who cause the pain get away with it, or get off easy.

The death penalty is not excluded by Church teaching. The state has the right to impose penalties that are commensurate with the crime as well as to defend itself from further harm (Catechism of the Catholic Church, §2266). When possible, punishment should help correct the offender, offering a chance of redemption, which is why the pope and bishops have called for an end to the death penalty. For more information, visit the Human Life and Dignity section of the USCCB's website (www.usccb.org).

NEWS FROM THE DIOCESE

Coming Soon:

Mark your calendar for Scripture Sunday 2017 in the Diocese of Owensboro! In Pope Francis' apostolic letter, *Misericordia et misera*, he explained that the Year of Mercy reminds us that mercy isn't only for a specially-designated year, but is part of the ongoing life of the Church. He said it would be a good idea if "every Christian community, on one Sunday of the liturgical year, could renew its efforts to make the Sacred Scriptures better known." Following up on Pope Francis' suggestion, Bishop William F. Medley has designated the third Sunday of October as Scripture Sunday in the Diocese of Owensboro. This year it falls on **Sunday, October 15**. Stay tuned for more information, and be sure to visit owensborodiocese.org/scripturesunday.

Our Parish Picnic is Just Around the Corner

Join us for our new take on a Saint Thomas More Favorite

Every year, Saint Thomas More hosts our Parish Picnic here on the church campus. It is a great opportunity to meet fellow parishioners, enjoy some fantastic food, have fun with your children and be part of the Saint Thomas More Community.

You may be wondering why we are talking about the picnic now since it normally happens in August. This year, we decided to move the picnic to late October - which is just around the corner.

While August was a great time for the picnic, it was often miserably hot and because of that, many parishioners would eat and leave, missing the chance to share some fellowship. Now that we have moved the event to late October, we are hoping that a cool fall day will entice folks to hang around a little longer.

Since we are now hosting the picnic in October, we took that a step further and decided an October Fest theme would be the way to really kick off this new event. We will have many old favorites - such as inflatables and bingo - along with some new activities.

We invite you and children to join us on a good old-fashioned hay ride or maybe you want to take a break in our beer garden, where we will feature regional and craft beer tastings.

There will be activities for everyone and we hope you will make plans to be at the picnic on Sunday, October 22, beginning with lunch at 2 p.m.

We look forward to seeing you all! After the event, we welcome your feedback. Let us know what you thought. You can easily send staff an email by going to the staff section on the Saint Thomas More Mobile App or by visiting our website at www.stmore.org.
