TODAY'S READINGS

SAVORING THE EXPERIENCE

One of the wonderful things about vacations is the time we spend two or three weeks afterward savoring the experience, sharing vacation photos and memories with our family and friends. This kind of reflection puts us back in touch with the original experience and reminds us of the relaxation and wonder the vacation afforded us. Today, on the Third Sunday of Easter, the Church blesses us with reminders of what we celebrated two Sundays ago. All three readings are reflections on the meaning of the death and resurrection of Christ. One of the threads running through these reflections is that the purpose of the Lord's suffering, death, and resurrection was to save us, to forgive our sins. We are given fifty days to ponder this reality—fifty days to savor the experience of Christ's dying and rising for us. Copyright © J. S. Paluch Co.

GOD'S WORD TODAY

The Easter season is a time of mystagogy. Mystagogy is an ancient word that simply means "unfolding the mysteries." During the Easter season, the Church unfolds the mysteries of Christ's passion, death, and resurrection so that the newly baptized, along with the entire community of believers, can grasp more fully the meaning of the paschal mystery. Today's scriptures offer a lesson in mystagogy for us all. Jesus' place in salvation history is recounted by Saint Peter in the first reading and interpreted by Jesus himself in the Gospel passage. Like students who sit at the feet of their master, let us gather around the table of God's word, asking God to open our hearts and minds to a renewed sense of the meaning of the paschal mystery in our lives.

TREASURES FROM OUR TRADITION

With the Easter season well under way, we now resume our survey of the sacrament of the sick. The pastoral care of the sick will be misunderstood if we start from the vantage point of the sickroom. Begin with the Sunday assembly, from which the sick person has been separated by the crisis of illness, and whose absence is given expression in prayer and service. The goal is to extend the consolation of the Lord's presence at the table to those who are apart from it, and for the assembly to enfold them in prayer.

Secondarily, the goal is to teach people what the Church desires for all those who are sick. Seeing ministers dispatched to the sick from Mass every Sunday might help a caregiver realize that their dear one can also receive Communion. Witnessing the anointing of a woman facing surgery might help another person to overcome hesitation and ask for the sacrament's healing and strength. Society's impulse may be to marginalize the sick, but the tradition of our community is to see them at the center of our life. When Roman persecutors ordered St. Lawrence the Deacon to hand over the jewels of the church, he assembled a motley crew of the sick and the infirm and announced with all humility, "Behold, my lord, the treasures of the church of Christ." —Rev. James Field, Copyright © J. S. Paluch Co.

STEWARDSHIP REFLECTION

“Repent therefore, and be converted, that your sins may be wiped away.” With these words St. Peter advises the Gentiles who are gathered outside the Temple in an area known as “Solomon’s Porch.” Of course, his advice is also applicable to us right here and now.

As mentioned previously the word “repent” means more than we normally may conclude. For us “repent” may simply mean to “be sorry.” Peter’s meaning is that we need to repent by “turning our lives around,” by changing completely. That is more of a challenge for us, to be sure. This kind of “change” is closely associated with the idea of stewardship.

Stewardship requires a conversion of mind and heart. That is exactly the kind of “repentance” to which we are called by St. Peter. Salvation is more than just “wiping away” our sins. Salvation requires us to make dramatic changes in the way we live. If we do change, Peter assures us that our sins will be “wiped away.” That reference is to writing at that time; although we see ink today as being indelible, it was not in Peter’s time. Once something was written, it could still easily be wiped away. Only God can wipe away our sins, but the point is that if we sincerely change (repent) and seek conversion through God, our sins will truly be “wiped away.”

Catholic Services Appeal 2015

**“WHO WE ARE,
WHAT WE DO”**

Diocesan Assessment: \$125,504.03

The Annual Catholic Services Appeal helps in part to fund the yearly operating expenses of many of the diocese’s ministry offices.

The CSA funds are used directly to support a number of the ministry offices of the Diocese, which in turn support the coordination of some ongoing parish ministries. Included in CSA funding are Continuing Education for Priests, Priests’ Assistance, Office of Catholic Schools, Campus Ministry, Respect Life Commission, Needy Parish Subsidy, Future Parish Sites, Hospital Apostolate, Priests Pension, Prison Ministry, Liturgy Commission, Ethnic Ministry Office, Catechetical Ministry, Youth Ministry, Adult Faith Formation, Annual Diocesan Conference, Vocations Office, Nevada Catholic Conference and Catholic Community Services.

IMPORTANT INFORMATION CSA CONTRIBUTIONS!

To be sure that you get credit for your contribution to CSA, please

1. **Make your check payable to St. Rose but write “CSA” on the memo line of your check.**
2. **If you would like us to mail your CSA gift to the diocese for you, put your cash or check into an envelope, write “CSA” on the outside of the envelope, and drop it into the collection basket at Mass.**

This will ensure that your CSA contribution is credited to CSA and not to your weekly parish stewardship.

Thank you!

There is an immediate need for someone who would like to be a sacristan at the weekend Masses. Requirements are a love of Jesus and have a flexible nature. The tasks involved are relatively simple, but essential to proper liturgy. We are willing to train. We just need some volunteers. Please consider helping your parish in this capacity.

Please call Charlene at 530-5938.

ATTENTION ALL PARISHIONERS

If you have been collecting for Operation Rice Bowl, please turn your Rice Bowls into the parish office. Thank you to all who have

participated in Catholic Relief Services annual Operation Rice Bowl collection.

SAINTS FUN FACTS by John Sheppard

St. George was a soldier in Diocletian's army. The emperor hated Christians and killed any he came across. George was also a soldier in the army of Christ and scolded the emperor for being cruel and resigned from the Roman army. For this he was tortured and beheaded. He is revered by soldiers everywhere and is usually depicted fighting a dragon (enemies of Christ).

Catholic Heart Work Camp is coming back to Reno this summer and we need your help!

We need work sites. Each day will be spent either renewing homes by doing such things as painting, housecleaning, yard work, and minor home repairs (experienced trouble shooters will visit the sites to check on workmanship and provide help when needed); or helping at day care centers for low income families by assisting with the children's programs, working at homeless shelters or at centers that distribute food to the needy. Let us know if we can help you!

Catholic Heart Work Camp is coming back to Reno this summer and we need your

help! We need work sites.

Each day will be spent either renewing homes by doing such things as painting, housecleaning, yard work, and minor home repairs (experienced trouble shooters will visit the sites to check on workmanship and provide help when needed); or helping at day care centers for low income families by assisting with the children's programs, working at homeless shelters or at centers that distribute food to the needy. Let us know if we can help you! *July 27—August 2 at Snows.*

The 8:30 choir is improving, but needs new members.

We are a happy and loving group. We share our love of God with our music.

We have fun, and help those that need it to sing better, play better, and learn things about music that you always wanted to know.

Step up and play that old trumpet, the drums, the banjo, the mandolin.

Sing to the Lord, and improve your life.

Prayer for our Diocesan Synod

God our Father,
You have called us by baptism
to be faithful members of your Church.
Send the Holy Spirit to guide the work
of the Second Synod of the Diocese of Reno.
Inspire us to bring new life
to the mission of your Church
here in northern Nevada.
Through the work of our Synod,
may we follow where the Holy Spirit leads,
to become instruments of hope for the world
in spreading the Good News
to people far and wide.
With the example and help of Mary our Mother
who gathered with the disciples in the upper room,
may we listen to the promptings of the Spirit.
Come, Holy Spirit,
fill the hearts of your faithful,
and kindle in them the fire of your love.
We ask this through Christ our Lord.
Amen.

Beginning in April, on the second and fourth weekends of each month, one of the St. Rose of Lima delegates to the upcoming Diocesan Synod will lead the parish in the Prayer for Our Diocesan Synod near the end of Mass, just before the celebrant's final blessing. In addition, on the fourth weekend of each month one or more of the delegates will be available in the Narthex after each Mass to take your input or questions regarding the Synod. More information about the delegates and an online form for submitting comments is available via the St. Rose website by clicking on "SYNOD 2015."

ISSUES OF PEACE & JUSTICE

On this 3rd Sunday of Easter, we continue to contemplate the profound Mystery of the Resurrection. Pope Francis' words from his Easter Vigil homily help us understand the path to being "of one heart and mind," through the Spirit of Truth, to Peace: "We cannot live Easter without entering into the mystery. It is not something intellectual, something we only know or read about... It is more, much more!

To enter into the mystery" means the ability to wonder, to contemplate; the ability to listen to the silence and to hear the tiny whisper amid great silence by which God speaks to us.

To enter into the mystery demands that we not be afraid of reality: that we not be locked into ourselves, that we not flee from what we fail to understand, that we not close our eyes to problems or deny them, that we not dismiss our questions...

To enter into the mystery means going beyond our own comfort zone, beyond the laziness and indifference which hold us back, and going out in search of truth, beauty and love. It is seeking a deeper meaning, an answer, and not an easy one, to the questions which challenge our faith, our fidelity and our very existence.

To enter into the mystery, we need humility, the lowliness to abase ourselves, to come down from the pedestal of our 'I' which is so proud, of our presumption; the humility not to take ourselves so seriously, recognizing who we really are: creatures with strengths and weaknesses, sinners in need of forgiveness. To enter into the mystery we need the lowliness that is powerlessness, the renunciation of our idols... in a word, we need to adore. Without adoration, we cannot enter into the mystery" (*Homily Of His Holiness Pope Francis*, April 4, 2015).

WORD OF LIFE

"I pray that at every level a general commitment to support the family will reappear and be strengthened, so that today too—even amid so many difficulties and serious threats—the family will always remain, in accordance with God's plan, the 'sanctuary of life'."

Prayer for Vocations

Lord Jesus,

Please grant to me the grace to know my true vocation.

In Baptism I was signed in your name and have grown to share in the work of bringing the Father's love to our world. May I respond to the special life's work to which You are calling me.

I ask that many will hear the particular call to serve in the Church as priests, religious and consecrated lay people.

To whatever You ask of me, may I freely, courageously and lovingly respond.

Amen.

PADRE SERRA SAYS:

"Lifestyles" and "Prayer Styles" of sisters and brothers in "community" are described by the National Coalition for Church Vocations following their description of the vows of chastity, poverty

and obedience, as follows:

Personal choice within the specific spirit and custom of a community encourages a great deal of creative, thoughtful and prayerful decision-making about how sisters and brothers live and grow holy.

Again, community is a frame of reference. Some people find living in a traditional convent or a very large community house best suited to them and to their current ministry or apostolate.

Others are drawn to small-group living, perhaps in a small home or apartment.

For still others, the decision must be to live alone — and yet to be very community-oriented during this interim.

Basically, it's not really *where* you live, but *why* and *how* you do it.

That's true about praying, too. Everybody does it, but there are many different ways in which we can relate to God. The community helps here, too. Sisters and brothers pray — frequently within very ancient traditions of prayer, constantly finding new ways of keeping in close touch with God.

Individually, they have their special ways of being with God, listening to Him and responding to His love.

The variety of lifestyles and prayer forms evident in the so-called "active" communities is also apparent in contemplative groups of religious. Men and women attracted to contemplative life learn from the great prayers of the past even as they explore new forms of contemplative prayer and contemplative living. This vocation is a particularly precious gift to contemporary society and culture.

Among some contemplatives there is renewed interest in "hermitages." Through this kind of life some are finding, in greater isolation and solitude, an even more intense form of spiritual life. Pray for vocations.
