**FOURTH OF JULY**

I love the Fourth of July. I'm a true American and patriot. I love the red, white and blue. I love our Constitution and Declaration of Independence. I love the BBQ parties and families coming together as fellow citizens. I love the concerts that play the patriotic melodies. I love the fireworks appropriately and safely displayed by professionals. However, you must know that I'm not a fan of neighborhood fireworks for several reasons.

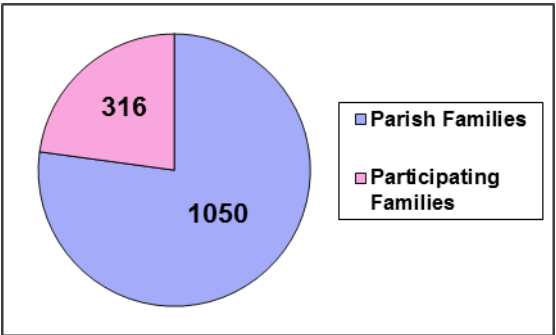

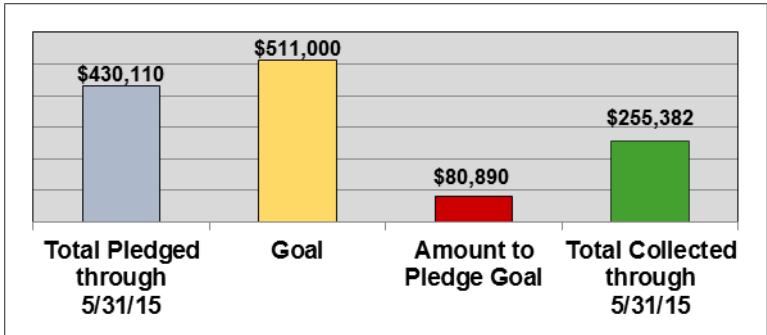

Neighborhood fireworks may help to reawaken patriotism in our fellow citizens. But it's still a very unsafe way of doing it. Further, these fireworks continue to disrupt the animal kingdom that surrounds us every day. The reaction of my dogs is only a simple example of what the wild animal world must be experiencing. My dogs run to hide and can't eat or drink. I try to sedate them and hold them with assurance of safety. What's going on with all the birds, squirrels, and other wild animals? Please curtail your use of fireworks in the neighborhood. While you are excited on this great day, fireworks are destructive, misunderstood and frightening by so many other of God's creatures.

*A Campaign for Parishes, Catholic Education and Faith Formation*

See how our garden has grown. We have picked the first harvest of Swiss Chard and delivered it to the Lolly Rodriguez Pantry. I tasted it and it's delicious. Some Eight Graders in the confirmation program continue to care for the Garden under the careful supervision of Mr. Tom Donegan and Ms. Joan Saliskas. Please stop by and give your blessings to the Garden.

May our "Veggie Garden" continue to grow and pray for a great harvest.. Blessings! Fr. Cronin

**Independence Day July 4<sup>th</sup>**.....On July 4, 1776, we claimed our independence from Britain and Democracy was born. Every day thousands leave their homeland to come to the “land of the free and the home of the brave” so they can begin their American Dream. The United States is truly a diverse nation made up of dynamic people. Each year on July 4, Americans celebrate that freedom and independence with barbecues, picnics, and family gatherings. Through the Internet we are learning about and communicating with people of different nations, with different languages and different races throughout the world. Bringing the world closer with understanding and knowledge can only benefit all nations. We invite all nations to celebrate with Americans online this Fourth of July.

Happy Birthday, America!
