blood is true drink." — Jn 6:53-55

A Family Perspective by Bud Ozar In today's Gospel Jesus speaks of eating his flesh and blood. Parents can identify with this, for they often feel devoured by all the demands of family life. This is unavoidable for children grow in the soil of sacrificial love. Parenting is not part time work. It is a consuming lifetime commitment.

A rookie pitcher was struggling at the mound, so the catcher walked out to have a talk with him. "I've figured out your problem," he told the pitcher. "You always lose control at the same point in every game." "When is that?" "Right after the national anthem."
