**Pray for Peace in the Womb and the World!**

Father, thank You for the uniqueness and perfection of  
 Your plan for me (Heb 11:40). Amen

Greetings in our Risen Lord! Thanks so much for the prayerful support while I was away in the hospital (total of 8 days--two hospitals) plus some outside continued recovery. My first hospital stay in S. Falls was for six days due to a combination of pneumonia again plus RSV. Blood tests revealed that I was severely depleted in my globulin levels (at 40--minimum should be at 700). So, in addition to various antibiotics given, I was given an infusion called an IVIG to try and fortify my immune system. I'll be receiving more of those infusions monthly at least for the next couple of months. The couple of days at Avera, my heart rate was reaching low levels (from 39 to the 60's depending on time of day/night). Plus my blood pressure was measuring higher than average. So, I had a 48 hr. heart monitor placed upon me, plus given a low dose prescription of a blood pressure pill, prior to my discharge late Saturday afternoon, the 16th. During the early morning hours of Monday, the 18th, I awoke to find myself on the bathroom floor--my back leaning against the bathtub and my head upright. I was able to return to bed and sleep after a bit of feeling nauseous. I was staying at some former parishioners in Sioux Falls. About 8am, following Mass, my blood pressure measured low before and after breakfast. I was able to see a doctor later that morning. He decided to take me off the blood pressure medicine after he heard of what I experienced--as it said, a case of "syncope": a sudden drop in blood pressure leading to passing out after one empties one's bladder. No doubt, weakness and still recovering from the hospital stay was a factor too. We handed in the heart monitor back to Avera hospital Monday afternoon. I made it back to the Saint Peter and Paul parish (at least to the curb!) for the Tuesday, 5:15pm Mass. But JoAnn was waiting for me and relayed the message that I was to immediately return to Sioux Falls and check in to the heart hospital. A reading of my heart monitor data showed that during an 18 second span when I passed out, my heart beat only once and during 10 1/2 seconds of that 18 second span, I had no heart beat. So, I was in the heart hospital for observation, more blood tests and a heart "echo" exam. The heart specialist who attended to me gave the OK for me to be discharged. Though, I'm still not feeling much "zip", we'll see how things go.

I'm still praying that someone or some persons will fill the paid positions to take care of some parish office hours and duties (including monthly parish event calendar/ministry schedule to name a couple), and roles of Director of Religious Ed/ parish youth group/organization of parish social activities. If you are interested in one or some or all of these roles, please let me know as soon as possible. I'm willing to divide up the positions amongst several persons, if need be. JoAnn can help mentor you. We cannot continue to have Totus Tuus, serving at the Banquet, going to the diocesan Youth Rally etc. if some parishioner (s) don't step forward to organize/recruit/lead. Even if you are just willing to commit to one year to some or all of the roles, then I'm willing to consider that possibility. Please contact me (Fr. Rader) at the parish office (928-3676). Thank you.

Thank you to JoAnn for the many behind the scenes details she did to help with the 25th anniversary celebration for Deacon and myself on Sunday the 24th. Thank you to all who also helped and/or are coming to participate! Later in the summer, I'll be having another smaller scale celebration with some of my former parishioners in Sioux Falls. The deacon who was with me at Our Lady of Guadalupe parish (Deacon Harold Pardew) is also, like Deacon Barry Wagner, celebration his 25th year of ordination!

Thank you to our Knights of Columbus who gathered in Mitchell for their annual state convention this weekend.

Thank you to all our CCD teachers (and substitutes) and Tricia Neugebauer and JoAnn Hoffman as parish DREs! Wednesday, April 27th is our final CCD class for this school year. We are going to need some new CCD teachers for next year. Teaming up with another, each taking care of one semester is acceptable. Would you consider, at least, a year or two commitment to witness for Christ and help our youth to learn our Catholic Faith?

**If you might know someone who would be a good fit for this position please share** -We have a part-time job open for Sacred Heart parish--it will entail a fair amount of social interaction to help with parish social events and activities, DRE/CYO/Safe Environment administration, producing the monthly and weekly ministry schedule on the monthly calendar and weekly bulletins, running off bulletins and occasionally producing the weekly bulletin, plus parish office duties as needed and under the directives of the Pastor. JoAnn Hoffman will certainly be able to help with training prior to her retirement and even after with consultations as needed. There are a couple of Wednesday evening hours to cover each week as overall monitor during CCD time, but if need be we can hire another person just for those hours (as an assistant to the DRE position.) Typical office hours would be Wednesday afternoons from 1pm to 4:30pm, plus Thursdays and Fridays from 9am to noon and 1pm to 4:30pm. There can be some flexibility to that schedule when you might need to arrive later or depart earlier. With the Wednesday evening CCD hours, it would entail around 19-20 hrs. per week, without them about 17. You must have competency with computers, copiers, and other typical office equipment. Again, JoAnn can help teach about the particulars of the parish office machines we have. After praying on it, if you have an interest in this position, please contact me (Fr. Rader) at Sacred Heart parish office.

**A Family Perspective by Bud** In today's gospel Jesus tells us: "Love one another." Love holds a family together. It is not what a family *does* which makes it outstanding, rather it is what *is* has, love for one another.

**Catholic Home Missions Collections** is April 23rd & 24th. Inserted in last week's bulletin is your mission envelope, bring it back, or use one of your own clearly marked "Home Missions." This collection helps support missions here in the United States.

This year the CHMA turns it focus to youth ministry, an essential component of the life and vibrancy of the Church. Without this appeal poorer dioceses in the US cannot sustain vital youth programs. This collection helps support missions here in the United States. About 45% of dioceses in the US are classified home mission, not able to support basic pastoral needs. There are many places in America where the Catholic Church struggles. Please give generously to help sustain the Church in America.
