 2nd Sunday of Easter
 April 3, 2016**

Then he said to Thomas, "Put your finger here and see my hands, and bring your hand and put it into my side, and do not be unbelieving, but believe." Thomas answered and said to him, "My Lord and my God!" — Jn 20:27-28

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

O my Jesus, forgive us our sins,
 save us from the fires of hell,
 and lead all souls to heaven,
 especially those in most
 need of thy mercy.

Pray for Peace in the Womb and the World!

Father, in Your mercy, challenge me to repent. Amen

Greetings in our Risen Lord! We are grateful to have Bishop Swain with us this weekend as he administers the sacrament of Confirmation to fifteen sophomores during the 10am Mass. They are:

Wesley Baumiller, Jayden Bormann, Morgan Heisinger, Tanner Hohn, Kyla Konfrst, Brayden Leischner, Sami Murtha, Tucker Murtha, Grant Nuebel, Colton Neugebauer, Lauren Reiner, Ripley Schafers, Kailee Schnable, Katelyn Warren and Jonah Zwinger.

Thank you to all who will be helping with the reception for our confirmandi and their guests following the Mass with Confirmation.

Thank you to all who helped/contributed to the Steve Walz family benefit on Saturday

We have a part-time job open for Sacred Heart parish--it will entail a fair amount of social interaction to help with parish social events and activities, DRE/CYO/Safe Environment administration, producing the monthly and weekly ministry schedule on the monthly calendar and weekly bulletins, running off bulletins and occasionally producing the weekly bulletin, plus parish office duties as needed and under the directives of the Pastor. JoAnn Hoffman will certainly be able to help with training prior to her retirement and even after with consultations as needed. There are a couple of Wednesday evening hours to cover each week as overall monitor during CCD time, but if need be we can hire another person just for those hours (as an assistant to the DRE position.) Typical office hours would be Wednesday afternoons from 1pm to 4:30pm, plus Thursdays and Fridays from 9am to noon and 1pm to 4:30pm. There can be some flexibility to that schedule when you might need to arrive later or depart earlier. With the Wednesday evening CCD hours, it would entail around 19-20 hrs. per week, without them about 17. You must have competency with computers, copiers, and other typical office equipment. Again, JoAnn can help teach about the particulars of the parish office machines we have. After praying on it, if you have an interest in this position, please contact me (Fr. Rader) at Sacred Heart parish office.

Black and White: (Under age 40? You won't understand.)
You could hardly see for all the snow, Spread the rabbit ears as far as they go. Pull a chair up to the TV set, 'Good Night, David. Good Night, Chet.'

My Mom used to cut chicken, chop eggs and spread mayo on the same cutting board with the same knife and no bleach, but we didn't seem to get food poisoning.

Almost all of us would have rather gone swimming in the lake instead of a pristine pool (talk about boring), no beach closures then.

The term cell phone would have conjured up a phone in a jail cell, and a pager was the school PA system.

We all took gym, not PE .. and risked permanent injury with a pair of high top Ked's (only worn in gym) instead of having cross-training athletic shoes with air cushion soles and built in light reflectors. I can't recall any injuries but they must have happened because they tell us how much safer we are now.

Flunking gym was not an option. I guess PE must be much harder than gym.

Speaking of school, we all said prayers and sang the national anthem, and staying in detention after school caught all sorts of negative attention. We must have had horribly damaged psyches. What an archaic health system we had then. Remember school nurses? Ours wore a hat and everything.

I thought that I was supposed to accomplish something before I was allowed to be proud of myself.

I just can't recall how bored we were without computers, Play Station, Nintendo, X-box or 270 digital TV cable stations.

Oh yeah and where was the Benadryl and sterilization kit when I got that bee sting? I could have been killed!

We played 'king of the hill' on piles of gravel left on vacant construction sites, and when we got hurt, Mom pulled out the 48-cent bottle of Mercurochrome (kids liked it better because it didn't sting like iodine did) and then we got our butt spanked.

Now it's a trip to the emergency room, followed by a 10-day dose of a \$49 bottle of antibiotics, and then Mom calls the attorney to sue the contractor for leaving a horribly vicious pile of gravel where it was such a threat.

We didn't act up at the neighbor's house either because if we did, we got our butt spanked there and then we got our butt spanked again when we got home.

I recall Donny Reynolds from next door coming over and doing his tricks on the front stoop, just before he fell off. Little did his Mom know that she could have owned our house. Instead, she picked him up and swatted him for being such a goof. It was a neighborhood run amuck.

To top it off, not a single person I knew had ever been told that they were from a dysfunctional family. How could we possibly have known that? We needed to get into group therapy and anger management classes? We were obviously so duped by so many societal ills that we didn't even notice that the entire country wasn't taking Prozac! How did we ever survive?

LOVE TO ALL OF US WHO SHARED THIS ERA, AND TO ALL WHO DIDN'T; SORRY FOR WHAT YOU MISSED. I WOULDN'T TRADE IT FOR ANYTHING

I'm expecting easy confirmation
