You have committed the grave tactical blunder of acquiring enough university credits to graduate. So now you're leaving college and embarking on the greatest adventure - and the biggest challenge - of your young lives: moving back in with your parents.

After twelve years of carrying books to school, you're well prepared for a career in backpacking.

Graduation: where you trade the agony of writing term papers for the agony of writing resumes. - Greg Tamblin

**First Job** A 21-year-old is hired by a hardware store. He shows up for his first day of work at 8 AM sharp.

The boss welcomes him, then hands him a broom. "First, sweep out the store. Then I'll show you where the window cleaning equipment is."

"Sir," the young man protests. "You can't be serious. I'm a college graduate."

"Oh, sorry," says the manager, pointing to the broom. "No problem. I can show you how that thing works."

**Graduation Test** - It's graduation day, and everybody's going to get their diploma but Jeffrey. At the assembly, the entire senior class stands up and shouts 'Let Jeffrey graduate, let Jeffrey graduate!'

The principal agrees to give Jeffrey one last chance. 'If I have five apples in my right hand and five in my left hand, Jeffrey, how many apples do I have?' he asked.

Jeffrey thought long and hard and then said: 'Ten.'

And the entire senior class stood up and shouted 'Give Jeffrey another chance. Give Jeffrey another chance!'

**College Bible - If college students wrote the bible...**

11. Last Supper would have been eaten the next morning: cold!

10. Ten Commandments are actually only texted, double-spaced, and written in a large font.

9. New edition every two years in order to limit reselling.

8. Forbidden fruit would have been eaten because it wasn't dorm food.

7. Paul's Letter to the Romans becomes Paul's E-Mail to them

6. Reason Cain killed Abel: They were roommates.

5. The place where the end of the world occurs: Finals, not Armageddon.

4. Out go the mules; In come the mountain bikes.

3. Reason why Moses and followers walked in desert for 40 years: They didn't want to ask directions and look like Freshmen.

2. Tower of Babel blamed for Foreign Language requirement.

1. Instead of God creating the world in six days and resting on the seventh, He would have put it off until the night before it was due and then pulled an all-nighter.

"Your father's back in church again. I think it was all those times he cried out to God when you wrote home for money."
