There is a common expression:

“TOO MUCH INFORMATION!”

We usually use it when people tell us details about their lives that we don’t want or need to know. Today, when James and John ask Jesus a simple question, making their request for places of honor in the kingdom, a simple answer might have been in order. Instead, as he often does, Jesus answers a question with a question; today it’s about drinking the cup of suffering. Then, once the others are indignant over James and John’s outrageous request, he proceeds to give them what may have been “too much information” for followers who were simply interested in the pursuit of glory. But this information, though it can sometimes seem “too much” for us, is essential for our lives as disciples. In Isaiah, in Hebrews, and in Mark today, we learn this information. It is in suffering, in weakness, in self-giving service to others, that we come to understand the kingdom. It is the information we need to find our place and come to be honored in the reign of God.

Twenty-ninth Sunday in Ordinary Time
October 21, 2018

Special Collection for World Mission Sunday this weekend. 
May your faith remain ever young when it is open to the mission that Christ entrusts to us.

Priesthood Sunday next weekend

“Dear priests, may God the Father renew in us the Spirit of holiness with whom we have been anointed. May he renew his spirit in our hearts so that this anointing may spread to everyone, especially to those ‘outskirts’ where lay faithful people most look for it and most appreciate it. May our people sense that we are the Lord’s disciples; and may they receive through our words and deeds the oil of gladness which Jesus, the Anointed One, came to bring us.” —Blessing for the Priests of the World by Pope Francis.

The Diocese of Nashville will celebrate Priesthood Sunday next weekend. Please give prayerful consideration of your support of our future priests with your gift next weekend.

**Help still urgently needed for town devastated by Hurricane Michael**

Many, many thanks to our parishioners who, on short notice, donated water and raised $600 to purchase desperately needed supplies for the people of Blountstown, FL. This is the very town that Tullahoma Utilities Authority sent linemen to assist. Supplies of everyday necessities still urgently needed for these residents. A Coffee and Franklin County community wide effort will be made to collect items to aid the 15,000 residents who have no electricity, water or sewer. A supply list and drop-off locations will be published soon. Please consider making a monetary donation through PayPal, which goes directly to this community and is immediately put toward the greatest need. [https://mainstreetblountstown.org/](https://mainstreetblountstown.org/) Pray for them all and spread the word. —Thanks, Marie

Our Christian heritage has the cherished tradition of remembering loved ones who have gone before us in faith. If you have loved ones you would like remembered in prayer, complete one of the rosters on the table in the Narthex and leave in the designated basket. The names of our dearly departed will be placed on the altar and remain in our prayers until Advent begins.
