Scripture Reflection

Believing was a challenge in the early church, just as it is now. The first Christians struggled with how to understand the ongoing presence of Jesus.

They came to know that they needed to be signs to others – to witness to and demonstrate peace, forgiveness and mercy. We have not seen him, but we have seen signs of his presence in others.

Perhaps more importantly, others must see signs of his presence in us. Presence is mysterious and profound. When we experience it, we are called to pay it forward as we have received it.

Welcome and Congratulations to our Newly Baptized Catholics

This year at the Easter Vigil, April 15th, 2017, our community was blessed to be able to welcome new members into our faith and to celebrate their initiation as full members of the Catholic Church. These new brothers and sisters committed themselves to follow Christ more deeply and learn of our faith through our Rite of Christian Initiation of Adults (RCIA). Now as newly initiated members of the Church they continue their education each Thursday evening during the Easter Season in the final phase of the RCIA process called *mystagogia*.

The presence among us of so many people who want to join our church is a sign of the vitality of our community and especially of the love and welcome people feel when they come to St. Gabriel. Each member of our community is a vital part of the ministry to welcome new members.

Please don't hesitate to continue to congratulate our new sisters and brothers during this Easter season.
