Scripture Reflection

Unity is easier to talk about than to achieve. There have always been divisions among people, including 8 people.

But we have access to a unique source of unity: the Eucharistic. In our act of breaking bread and drinking from the one cup, our relationship to one another is strengthened. Jesus gave himself for us and continues to do so even now.

Though we know this, we need to be reminded that we are truly members of one body his body. What is our attitude toward those standing next to us each Sunday, sharing this same life-giving gift?
