## Scripture Reflection

*Today's readings invite us to reflect on our own ability to recognize the Lord Jesus and God's prophets in our midst. The voice of the prophet may come to us in words of a friend, a member of the faith community or even by someone that we may not particularly like. If we don't like what we hear, chances are we need to listen and seek the Spirit's presence in our resistance. We remember that God's message is often mitigated in human experience, and fear should not stop us from paying attention to the Spirit's whispers and nudges.*

## GENEROSITY REPORT

The way we use our time, talent and treasure for God, enables us to always put God first in our lives...

## NOTES FROM SOCIAL ACTION

### Food Pantry

All donations of non-perishable food items, personal hygiene items, paper and cleaning supplies, and pet food are always gratefully accepted. At this time, however, we have a surplus of some items and additional donations of these are not really needed until further notice. These items include: canned vegetables, canned and dry pasta products, cereal, and peanut butter.

We have the greatest need for the following items: canned meat & fish, canned fruit, canned soup, Ramen noodles, pasta sauce, dry beans & rice, jelly, pancake mix & syrup, juice, coffee, tea, sugar/sweetener, flour, personal hygiene items, cleaning supplies, paper products, and pet food. Thank you for your continued support of our food pantry.

Now that summer is here, our thoughts naturally turn to Christmas?!?! .....not the “winter-y” one we celebrate in December, but, instead, “Christmas in July”.

This is our annual project to help the homeless population that is serviced by Project PLASE. You are asked to purchase a pair of socks and put a bar of soap inside.

Throughout the entire month of July please bring in your donations and place them in the collection box in the Narthex.

*A Thank You Note From*

Thank you so much for the many bags of clothing, plus blankets, towels and pillows which you delivered at the end of April collected at Saint Gabriel's.

These items have been very helpful for clients both in transitional housing and those who are setting up housekeeping in more permanent homes.

We maintain a room with clothing for our clients and a store of housewares as space permits. Your donation reminds everyone that the homeless are not forgotten.

We have provided housing and a full range of services to Baltimore's most vulnerable for over 43 years.

Because of support such as yours, men and women experiencing life on the streets have a helping hand to restart their lives, to improve health, address trauma, regain income, find employment and locate permanent housing.

Our clients include low income veterans, families with children, people with HIV and other physical and mental disabilities and those with a history of incarceration. Last year project PLASE served more than 1100 people across all programs. We rely on the generosity of individuals and groups such as your parish to continue our work.

Your donation means so much to us and to our clients.

With full gratitude and all the best wishes,

*Mary E. Slicher*
