## Scripture Reflection

*No matter how many times we say we trust in the Lord, we often live as if we are in charge of our own lives and dependent only on our own talents. We are reminded today that not only are we called to live in utter surrender and dependence on our Lord, but we are to give from our very poverty to those who are in need. We must trust God will provide for us as we empty ourselves to care for the poor and the oppressed. It is a risky way to live but it is the life of faith and trust to which we are called.*
