NEWS RELEASE

**Arizona and New Mexico Catholic Bishops' Statement on Deferred Action for Childhood Arrivals (DACA) Youth**

In light of increased tensions and speculation over the future of the Deferred Action for Childhood Arrival program (DACA), the Catholic Bishops of Arizona and New Mexico want to reiterate our strong and unwavering support for DACA youth so they do not have to live in fear of deportation. These young people entered our country as children and should have the opportunity to remain in our country to be educated here and to have opportunities to exercise their gifts for the enhancement of our nation.

Presently, DACA protects nearly 800,000 of these young people, while allowing them to live and work in our country without fear of deportation. Through DACA they have furthered their education, started small businesses and become integral members of our communities in Arizona and New Mexico.

While DACA is not a permanent solution, we support its continuance until a permanent solution can be found.

Accordingly, we urge our federal elected officials to move forward with permanent solutions that grant relief to these young people along with the chance to earn permanent residency and eventually to seek citizenship.

We ask that all people of goodwill join us in praying and advocating for governmental efforts to protect DACA youth and for reform of our broken immigration policies.

Sincerely yours in Christ,

**Most Rev. John C. Wester**

**Declaración de los Obispos Católicos de Arizona y Nuevo Mexico sobre Acción Deferida para Llegados desde Niños (DACA)**

En vista de la creciente tensión y especulación sobre el futuro de la Acción Deferida para los Llegados desde Niños (DACA), los Obispos Católicos de Arizona y Nuevo Mexico quieren reiterar su sólido y comprometido apoyo para los jóvenes de DACA, para que no vivan en miedo de ser deportados. Estos jóvenes entraron al país como niños y deben tener la oportunidad de quedarse en nuestro país para ser educados aquí y tener la oportunidad de ejercer sus dones en beneficio de nuestra nación.

Actualmente, DACA protege a casi 800,000 de estos jóvenes, mientras les permite vivir y trabajar en nuestro país sin miedo a ser deportados. Por medio de DACA han avanzado su educación, empezado pequeños negocios y se han integrado a nuestras comunidades en Arizona y Nuevo Mexico.

Aunque DACA no es una solución permanente apoyamos que continúe hasta que se encuentre dicha solución.

Por lo tanto, urgimos a nuestros líderes en el gobierno federal a que avancen soluciones permanentes que le den alivio a estos jóvenes, junto con la oportunidad de obtener la residencia permanente y eventualmente la ciudadanía.

Pedimos a toda la gente de buena fe que nos acompañe en oración y abogacía por los esfuerzos del gobierno para proteger a los jóvenes de DACA y por una reforma a nuestras defectuosas políticas migratorias.

Sinceramente suyos en Cristo,

**Reverendísimo John C. Wester**  
Arzobispo de Santa Fe

**Reverendísimo Oscar Cantú**  
Obispo de Las Cruces

**Reverendísimo Gerald F. Kicanas**

**Reverendísimo Eduardo A. Nevares**

**Reverendísimo Thomas J. Olmsted**

# All About... Kindergarten

Here in kindergarten we learn all our letters and the really cool sounds they make! We also learn our numbers and how much  $3+2$  is. We love when it is center time. In centers we get to build with blocks and write our names with playdough. One of our favorite things is story time. Our teacher makes funny voices for the characters in the books, we laugh a lot at that. We know that being in Kindergarten is a HUGE deal. We get smarter each and every day – OH we have a song about the days of the week that is really fun to sing! In Kindergarten we learn everything from our ABC's and 123's to sharing with our friends and following school rules.
