Vocations Chalice

Praying for vocations is the most powerful way to support vocations. A vocation is a call from the Holy Spirit, a gift from God that is nurtured in prayer.

When we pray for vocations, we lift up to our Father those men and women whom He is calling to follow Him in a very special way. This is a great way to pray together as a family. If you are interested in hosting the Vocations Chalice in your home, please contact the Parish Office at 865-7385 and leave a message for Ann Krom.

LAS POSADAS WILL BE STARTING SOON!

We are in need of host homes for the following dates: Tuesday, December 19th, Thursday, December 21st, and Saturday, December 23rd. If you have not had the opportunity to host this Advent tradition, please call the Parish Office (865-7385) to sign up and/or for more information. What a wonderful way for you and your family to experience the blessings of Advent!

And, just in case you are not familiar with the traditional Posada, here is some fascinating background:

"December is a month in which most families and friends come together to celebrate, eat, drink, and enjoy the closing of a year. But to most Christians who celebrate the traditional Posadas, December is not only a month of communal gathering but it is also a month of spiritual religious services, singing, and candlelight walks. The actual origins of the Posadas is unclear, but scholars have, in fact, discovered that Aztecs by ancestral custom celebrated rituals in honor of Huitzilopochtli during this time of the year. The interesting thing is that, by the second half of the sixteenth century, the Augustine monks began to incorporate these ancestral rituals into the celebration of the coming of Jesus, the Savior. Furthermore, several scholars have acknowledged that Saint John of the Cross added the singing and the knocking on doors to the celebration of Christmas, thus developing the tradition of Las Posadas.

"Those are some historical facts about Las Posadas, but in order to get the complete taste of the festive yet spiritual posada, one needs to understand that Las Posadas are symbolic, taking the word posada literally. For instance, Las Posadas comes from the root word posada which mean, to ask for shelter. The tradition of the Posadas is based on the idea that people can have the opportunity to experience the hardships Joseph and Mary had to endure. It can also be considered a re-enactment of Mary and Joseph's arduous search for shelter. The Posadas, with the assistance of the mystic Saint John of the Cross, have retained this sixteenth century flavor in modern times. People today gather together with a particular group of friends and families for nine days, visiting each others homes; "los santos peregrinos" sing from the outside for shelter while innkeepers, the people inside, respond with a rejection. On the last day of the NOVENA, the community asking for Posada, finally, is able to find a family that invites them in, and the celebration begins."

Memorial, November 13

"Fortify me with the grace of your Holy Spirit and give your peace to my soul that I may be free from all needless anxiety, solicitude and worry. Help me to desire always that which is pleasing and acceptable to you so that your Will may be my will. Grant that I may rid myself of all unholy desires and that, for your love, I may remain obscure and unknown in this world, to be known only to you. Do not permit me to attribute to myself the good that you perform in me and through me, but rather,

referring all honor to your Majesty, may I glory only in my infirmities, so that renouncing sincerely all vainglory which comes from the world, I may aspire to that true and lasting glory which comes from you. Amen."

God our Father, you called Frances Xavier Cabrini from Italy to serve the immigrants of America. By her example teach us concern for the stranger, the sick, and the frustrated. By her prayers help us to see Christ in all the men and women we meet. Grant this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen

LITURGY CORNER

November 23 is our parish feast day. Saint Clement, San Clemente, was the third successor of Saint Peter, making him the 4th pope. He was martyred in the year 100. He is commonly credited with writing an important letter to the Church in Corinth to settle a dispute there. (Saint Paul also wrote to the Corinthians.) His success irritated the Roman emperor who sent him to the mines of Crimea, Ukraine. While there he established 75 churches. This further angered the authorities and, for his devotion, he was tied to an anchor and thrown into the sea. His relics were discovered some 700 years later and translated (transferred) to the Church of San Clemente in Rome in the year 868. He is the patron of the Crimean peninsula, children, stonemasons, marble workers, sailors, and hatters. He is invoked against disasters at sea, storms, and lightning. In art, he is depicted as a pope sometimes with an anchor. Note the parish statue of San Clemente where he is wearing the three-tiered papal crown. Also note the anchor in the courtyard near the doors to the church. This year his feast day falls on Thanksgiving; thus the parish will celebrate with Mass, procession, games, and food on Friday, November 17 and Saturday, November 18. The 2017 ORDO (*Order of Prayer in the Liturgy of the Hours and Celebration of the Eucharist*) says for November 23: Thursday: Weekday; Saint Clement I Pope, Martyr; Saint Columban, Abbot; Blessed Miguel Agustin Pro, Priest, Martyr; Thanksgiving Day. What a great day for a celebration. *See you at fiestas. Gay Snell*
