ACT OF CONSECRATION TO THE MOST SACRED HEART OF JESUS

(Continuation from last week of The Act of Consecration)

“ALL KNEEL AND PRAY TOGETHER.

O Sacred Heart of Jesus who made known to St. Margaret Mary Your great desire to reign over Christian families we are gathered here today to proclaim Your complete dominion over our family. From now on we promise to lead a Christ like life: we will strive to develop in our home all the virtues which bring with them the peace that You promised and we will not compromise with the spirit of secularism which You have so strongly denounced.

You will rule over our minds through our deep and living faith. You will be King of our hearts by our generous love for You; and we will cultivate this love by the frequent reception of You in Holy Communion.

Divine Heart of Jesus, preside over our family gatherings; bless all our family undertakings, both spiritual and temporal. Sanctify our joys and comfort us in our sorrows. If any member of our family should have the misfortune to offend You seriously, please remind him, O Sacred Heart of Jesus, of Your infinite love and mercy for the penitent sinner.

And when the hour of separation comes, when death brings its sorrows into our family, whether we go or whether we stay, we humbly accept Your divine will. At the same time we will console and comfort ourselves with the thought that the time will come when our whole family will be united lovingly with You in heaven forever. There we shall sing a hymn of praise to the infinite mercy and love of Your Sacred Heart.

We ask the Immaculate Heart of Mary and our glorious protector, St. Joseph, to offer You this family consecration of ours. May the memory of this consecration be with us always.

We will say one Our Father, Hail Mary, and Glory Be for the intentions of the Holy Father and for absent members, living and dead.”

Did you know? Since oral contraceptive pills came on the market, divorces have tripled, out of wedlock births have increased dramatically, an average of 1.2 million abortions take place per year, and cohabitation has increased tenfold. There is a better way. For more information on the gift of NFP, visit www.sfcatholic.org/respectlife.

Now is the time to reflect upon our attitude towards marital love, responsibility, and children. The Church does not call us to decide our family size in a haphazard way. Rather, it calls us to discern and make wise decisions with generosity and trust in God's divine design for our families. Modern methods of NFP enable couples to plan their family in a healthy, drug free, and up to a 99% effective way. For more information on the gift of NFP, visit www.sfcatholic.org/respectlife.
