An Act of Consecration and Reparation to the Most Sacred Heart of Jesus

MOST sacred Heart of Jesus! I adore you; I offer to you all that I am and all that I possess; I consecrate to you my soul with its faculties, my body with all its senses, my heart with all its affections, desiring in all things to honor, love, and glorify you; in thanksgiving for the numberless benefits that I have received from you, especially in the Holy Eucharist; in atonement for my own sins as well as in reparation for all the offenses that are committed against you in the sacrament of your love, and, finally, in humble supplication, that I may henceforth be faithful to you, that I may please you in thought, word, and deed, that I may suffer in patience and in perfect resignation to your holy will, that I may become like to you in meekness and humility, that I may persevere in your love and your grace to the end of my life, and that I may praise you and bless you with the saints and angels in eternity.

We beseech you, also, O good Jesus, by your sacred Heart, overflowing with sweetness and mercy, to bless our Holy Father, the Pope, and our Holy Mother, the Church; to take under your special protection this congregation [my parish], our homes, our country, our rulers, our legislators, our bishops, our priests, and all Religious Orders. We recommend to you all our concerns, our friends, relatives, benefactors, and all those who have asked us to pray for them; those who are sick and those who are dying, and all who are under any affliction. Cast an eye of compassion on obstinate sinners, [the mistaken], and unbelievers.

Give eternal rest to the faithful departed.

Bless in particular the apostolic labors of those who are engaged in giving missions and retreats, in propagating the Faith in [mission] lands, in spreading your kingdom on earth, and in fostering devotion to your most Sacred Heart and to the most holy Sacrament of the Altar. Amen.”

Consecration of mankind to the Sacred Heart of Jesus

Form of Consecration Issued with the Encyclical Letter of His Holiness, Leo XIII, dated May 25, 1899, on the consecration of mankind to the Sacred Heart of Jesus.

Most sweet Jesus, Redeemer of the human race, look down upon us, humbly prostrate before your altar. We are yours and yours we wish to be; but to be more surely united with you, behold each one of us freely consecrates himself today to your most sacred Heart. Many, indeed, have never known you; many, too, despising your precepts, have rejected you. Have mercy on them all, most merciful Jesus, and draw them to your sacred Heart. Be you King, O Lord, not only of the faithful who have never forsaken you, but also of the prodigal children who have abandoned you; grant that they may quickly return to their Father's house, lest they die of wretchedness and hunger. Be you King of those who are deceived by erroneous opinions, or whom discord keeps aloof, and call them back to the harbor of truth and unity of faith, so that soon there may be but one flock and one shepherd. Be you King also of all those who sit in the ancient superstition of the Gentiles, and refuse not you to deliver them out of darkness into the light and kingdom of God. Grant, O Lord, to your Church, assurance of freedom and immunity from harm; give peace and order to all nations, and make the earth resound from pole to pole with one cry: Praise to the divine Heart that wrought our salvation; to it be glory and honor forever. Amen.

"The way to plan the family is natural family planning, not contraception. In destroying the power of giving life, through contraception, a husband or wife...turns the attention to self and so it destroys the gifts of love in him or her. In loving, the husband and wife must turn the attention to each other as happens in natural family planning...." ~ *Blessed Teresa of Calcutta*.
