ACT OF CONSECRATION TO THE MOST SACRED HEART OF JESUS

ALL KNEEL AND PRAY TOGETHER.

O Sacred Heart of Jesus who made known to St. Margaret Mary Your great desire to reign over Christian families we are gathered here today to proclaim Your complete dominion over our family. From now on we promise to lead a Christlike life: we will strive to develop in our home all the virtues which bring with them the peace that You promised and we will not compromise with the spirit of secularism which You have so strongly denounced.

You will rule over our minds through our deep and living faith. You will be King of our hearts by our generous love for You; and we will cultivate this love by the frequent reception of You in Holy Communion.

Divine Heart of Jesus, preside over our family gatherings; bless all our family undertakings, both spiritual and temporal. Sanctify our joys and comfort us in our sorrows. If any member of our family should have the misfortune to offend You seriously, please remind him, O Sacred Heart of Jesus, of Your infinite love and mercy for the penitent sinner.

And when the hour of separation comes, when death brings its sorrows into our family, whether we go or whether we stay, we humbly accept Your divine will. At the same time we will console and comfort ourselves with the thought that the time will come when our whole family will be united lovingly with You in heaven forever. There we shall sing a hymn of praise to the infinite mercy and love of Your Sacred Heart.

We ask the Immaculate Heart of Mary and our glorious protector, St. Joseph, to offer You this family consecration of ours. May the memory of this consecration be with us always.

We will say one Our Father, Hail Mary, and Glory Be for the intentions of the Holy Father and for absent members, living and dead.

Take a look at how faith is practically expressed in the life and work of a person in the business or professional field. We will encourage attendees to be open to the proposal and possibilities of a fuller life where the priorities of the human person are organized properly and balanced accordingly so that the potential of business is realized in our community, along with the flourishing of the individuals and families upon whom society is built. We want to lay out for attendees a vision of the integrated life in our community, particularly in how we live and work. Tickets are \$50. Purchase your tickets today at www.cmbfsf.org.
