Apparitions of Our Lady of Fatima (part 15)

In "The Last Vision of Fatima", we see Mary Full of The Grace and Mercy of God, preventing the just wrath of God coming forth from the Angel with a consuming fire upon the earth. But the Angel, while pointing to earth cries out a stern warning of "Penance" for all humanity to repent from the evil of sin through the Sacrament of Confession, and to atone for sins by other acts of penance. Next, Lucia sees, as in a blurred reflection from a mirror (((remember that years ago, mirrors were not a clear reflection as they are today))), The Glory of God's Light of Love and a bishop, who is the pope dressed in white. Then Lucia sees other bishops, priests, men and women religious going up a steep mountain, to The Cross of Jesus Christ. Just before getting there, the pope passed through a big city, half of which is in ruins. In this, we see the city of God here on earth, half ruined from evils of sin. Jesus Christ has always brought Graces

into this world through the Catholic Church by means of the pope. Peter was the first pope to receive the Keys to The Kingdom of Heaven from Jesus. The pope is the vicar (*substitute*) of Jesus Christ on earth, and the means by which God chose to give His Grace to the souls of corpses. These souls of corpses refer to people who are dead in state of mortal sin, but are willing to repent and receive The Grace and Mercy of God through the forgiveness of sins in the Sacrament of Confession. Jesus is The Head of The Church through which all Grace flows, and He uses the pope as vicar of Christ on earth, through which Grace is given to and through bishops, priests and religious.

The last aspect of this vision is when the pope at the Cross of Jesus Christ, and through Faith, Hope and Love has readied himself to die with Jesus. The pope kneels and is murdered along with bishops, priests, religious and lay faithful by bullets and arrows. In this part of the vision, we see the martyrs of the Church throughout the ages being murdered with arrows and bullets. Through their faithful suffering and dying in union with Jesus at The Cross, their blood represents The Grace and Mercy of God obtained by their faithful suffering in Union with Jesus. This blood/Grace is collected by the two angels, each with a crystal aspersorium (*vesse*) in his hand. The Graces merited through the sufferings of these martyrs is given to others making their way to Salvation. Remember, as Christians, we are all called to be like Jesus, and Jesus allows us to help Him carry His Cross, as did Simon the Cyrenian. If we faithfully suffer with Jesus, we can bring The Grace of God to people to help them to repent and believe, especially, those who are in most need of God's Mercy.
