Everyday Stewardship

What else is there to give when one has already given away their body and their life? What more can one say or do to demonstrate love for another when all they have has been given to another? This total giving of self to loved ones cannot be trumped by flowery words or material gifts that are fleeting. This is the ultimate in love. This is the love Jesus had for us on the way to his passion, at the institution of the Holy Eucharist. This is the love he has for us daily in the celebration of the Mass on altars in every church, in every city, in every nation on earth. No one can give more. No one can ask for more. This is the true heart of Christian stewardship.

If you take the time to gaze upon your God in the simplest of forms and begin to reflect on what has actually taken place with bread and wine becoming the presence of the Divine, then you can begin to understand true humility, sacrifice, and love. And when you have the privilege to take that Real Presence into your body at the meal where you are an honored guest, you become one with the One who is the embodiment of stewardship. Then, you must ask the question of yourself, "How can I even begin to reflect the love that I have encountered at this feast?" The answer is you can begin with the simple actions of the day: where will you go, whom will you meet, and in what work will you partake? Jesus Christ has shown that the greatest gift ever given can be disguised in this world in a piece of bread. By joining your body to his, he can now transform human hearts, not by grand acts, but by everyday acts, by everyday people practicing Everyday Stewardship.

The Feast of the Assumption of Mary: is a very important day in the Catholic religion. It is the principal feast of the Blessed Virgin, the mother of Jesus Christ. Pope Pius XII, in 1950, defined that Mary "after the completion of her earthly life was assumed body and soul into the glory of Heaven." Her body wasn't allowed to corrupt nor was it allowed to remain in a tomb other of Jesus Christ. The feast is designated as a Holy Day of Obligation in the Roman Catholic Church.

Top Ten Reasons to Use of Natural Family Planning (NFP) Part 3 of 3

3. NFP is open to life. Couples practicing NFP experience the joy and awe of conception, pregnancy and child birth. They have a deeper understanding of children as a supreme gift from God to them. And, they have a greater commitment to be responsible parents.
2. NFP is Pope – ular. NFP is the morally upright teaching of the Catholic Church. The Church teaches that NFP is the right way to plan a family because it honors how we were made. NFP unites family to marriage.
1. NFP encourages Christ-like love. Every spouse wants to experience total, faithful and fruitful love. NFP sets the stage for this. It is true that couples who practice NFP practice chastity and make decisions to forego physical intimacy for a few days if they are choosing to avoid a pregnancy. But, in that sacrificial giving, the couple learns how to be of service to each other and, ultimately, to God.

Catechists Are Needed:

As we are approaching the mid-way point of summer and the back-to-school displays are beginning to pop up throughout the stores, St. James/St. Mary CCD program is gearing up for the 2018-2019 CCD year. Your assistance is needed in the planning. We have a need for volunteers to teach **grades 6 and 8. We need parents as catechists to ensure that your child is on the path for Confirmation. Many thanks go out to those parents that stepped up last year to ensure that their child was on schedule for Confirmation.**

If you have any questions about the program, please feel free to contact me. My email address is smsjdre.plc@gmail.com or call 715-316-7056.

Members of both St. James and St. Mary parishes have always generously given their time and talent to assist with the Faith Formation program. My prayer is that once again you will answer this important call to help in the faith formation of our young people as they are the future leaders of our church.

God Bless,

Ann Hemmy, DRE
