PASTOR'S MESSAGE

Today's Readings stress on the importance of the Kingdom of God and demand a personal response on the part of every Christian to God and to his Kingdom. In normal language the Kingdom of God is understood as God's rule in the heart of every individual.

As we reflect on the word of God, Jesus invites us to build the kingdom, searching relentlessly and seeking his presence. The reward will be something precious and which cannot be lost at any time. We are called to face obstacles and we are called to be innovative in the ways in which we overcome those challenges. King Solomon responded to God asking for wisdom and knowledge and he was given the precious reward. The persons in the parable went in search of the treasure and the pearl and took the risk to obtain it for them. The parable of the net will tell us of the need for discernment on the kingdom, to be good and be able to see the preciousness of our choice. This gives us the joy of discovering the meaning of life and of finding ourselves involved in the adventure of holiness. People who risk whole heartedly are ultimately peaceful. Finally, it is the choice which God has made for us, as he has chosen us and formed us in his own image and has planned a plan for us. Let us then respond to the divine call given to us and live this kingdom to the full.

This week as we reflect on the treasure, I just want to thank all of you for sharing your treasure so generously with your parish. I would like to again acknowledge all the volunteers that are participating in the many ministries around the parish. Thank you to those that have been consistently sharing their faith, time, talent; especially the music ministry and the extraordinary ministers of Holy Communion, readers. This is the community that guides us and our children. Thank you for all that you do for the Church.

Please start thinking about our upcoming Faith Formation classes that will begin in September. Faith Formation is for children from kindergarten through 5th grade. More information will follow in the next few weeks for the Edge and Youth Group, middle and high school students. We are also looking for volunteers. This is a great program that will allow you to share your Catholic faith.

RCIA will also start another year of discernment toward the Catholic faith. If you know someone who is considering the Catholic faith, are dating or married to a Catholic or baptized but never Confirmed, this is a strong program that will lead you through the sacraments.

Prayer group resumes in September. If you have not joined this valuable ministry, please consider attending. This group starts with sharing the word of God and praying for various needs of the Church and the people.

Yours in Christ,
Fr. Sojan Punakkattu
