From the Diocesan Safe Environment Program Office: **Internet Safety for Kids:**

The Internet has become the new schoolyard for child molesters seeking girls or boys to victimize. Internet "chat rooms" provide a teenager with an opportunity to engage in a "live" conversation with friends from school or church, or with other teenagers from around the world. Law enforcement has found that child molesters use chat rooms to gain easy and safe access to teens. Because of the seemingly caring and seductive talent of child molesters, teenagers should be warned that when they are in a chat room they should never provide anyone with private information, personal information, and especially their specific physical location. For particular help you may call: **Andre Glaude, Safe Environment Program Manager at (727)344-1611, ext. 5377.**

TO OUR WONDERFUL PARISHIONERS

A big thank you for all of your donations and purchases during our recent white elephant/rummage sale. As you are aware, it is a lot of work for the ladies, but is so rewarding. This year the ladies (and gentlemen) worked an approximate combined 335 hours. Of course, we cannot forget the gentlemen who are always there to lend a hand with the heavy duties. A shout out to Paul Cheaney, Bill Gauthier, Warren Grover, Dick Hopman, John Korsiak, Lou Nappi and Jim Tisza. Without the help of the men, I'm not sure what we would do with all the heavy tables, etc. A special thanks to our custodian, Jim Sparano, who is always ready to come to our aid. I will never be able to thank all the ladies for their countless hours of hard work!! Of the items not sold...some went to local homeless and many of the small stuffed animals were given to the Sheriff's Department for use when they have small children to care for. The remainder were picked up by Daystar for their clients and their store. Considering the terrible weather we had the days of the sale, we did quite well financially...approximately \$1,500.00 cleared...these funds to be used here in our own parish and our community. Throughout the year this parish is very supportive of all the functions we have and without your support they would never be successful. We are now on vacation until September, at which time we begin all over again. Don't forget our Tricky Tray, Holiday Bazaar/Bake Sale, Elite Repeat/Jewelry Sale and White Elephant/Rummage Sale for the next season. As the old song goes..."See you in September..." May our Blessed Mother and Her Divine Son always guide, protect and watch over you. Juanita Bowden, President, CCW

A BOOK BY FATHER GREG ANDREWS

Have you ever wondered what it's really like to be a Catholic priest? In *Making God Laugh*, the author vividly describes his life's work within the Catholic Church. Ordained for thirty-eight years, this former pastor, parish founder, and church builder now provides assistance to congregations in Citrus County and all along Florida's west coast. In straightforward, down-to-earth style, the writer takes you on an amazing journey, revealing the perils and pitfalls of his personal and professional life, as well as its sublime successes. Looking at the Church from the inside out, he offers a surprisingly candid appraisal of himself and his ministry. *Making God Laugh* is also a book about going places. Through the eyes of this gifted photographer and painter, you'll marvel at the beauty of America's national parks and the wonders of exotic ports of call around the world, as though you were there. Writing with the same clarity with which he preaches, Father Andrews displays extraordinary transparency in this autobiographical work. The intensity and integrity of his story will help you embrace the human within you, and rejoice in the divine. *Making God Laugh* is a refreshingly honest portrait of Gregory J. Andrews as person and priest. It will make you laugh, and it will make you cry.

FATHER GREG'S BOOK IS AVAILABLE IN THE SACRISTY AFTER MASS AND AT THE PARISH OFFICE DURING THE WEEK. IT IS 287 PAGES AND COSTS \$16.95. IT IS ALSO AVAILABLE AS AN AUDIO BOOK ON CD.
