June 27/28 and July 4/5, 2015

13th and 14th Sundays in Ordinary Time

Talitha  
koum!

Little girl,  
I say to you,  
arise!

The girl arose  
immediatley and  
walked around.  
At that they  
were utterly  
astounded.

## FROM FR. KEN

It is time for a project update.

First of all, at St. Edward, they did the finishing touches on the grotto and they are finished with it. There are some volunteers that are working on the old rectory doing some patching, filling, and painting of some of the classrooms. The ReRun shop is slowly progressing, there are some concerns about the heating and cooling system, we are still working on it and it will be open "soon." Thanks to some special donations, there is new countertop and back-splash in the kitchen at Holy Spirit church. Sometime next month they will be putting some new flooring in the kitchen as well. I would like to thank all of those who have donated for this project. Starting on Monday the 29<sup>th</sup>, thanks to a special donation and help from money donated for memorials, the painters will be in Holy Spirit church again. They will be doing some work on the altars. They will be moving back the top section of the high altar so that it can be used as a high altar one day, then it will be repainted with the same marble look as it currently has, but just a bit brighter and cleaner, we will be able to use the church during the 3-4 weeks that this project is going on. At St. Malachy School the roof of the music building has been shingled thanks to the hard work of some volunteers. The front of the school is being spruced up and we will be doing some work in the school kitchen this summer. These projects would not have been happening without the help from multiple sources. I wanted to thank everyone who has helped with these projects! Some of the funding has come from the capital campaign but most of it has come from donations from people who are passionate about the parish and projects. Thank you all.
